

Environmental Statement

Edinburgh Provisions Limited (trading as Edinburgh Preserves) conducts its business with respect and care for the environment and requires all employees and contractors to carry out their activities in accordance with this policy.

In summary the company will:-

- ❖ Assess the environmental sensitivity of processes and the impact of operations on the local, regional and global environments.
- ❖ Manage energy and water wisely in all operations.
- ❖ Comply with all applicable environmental legislation and consents.
- ❖ Limit waste generation, discharges and emissions and handle waste in a responsible manner, reusing and recycling materials, where feasible and economic, to minimise the need for disposal.
- ❖ Operate in a planned and responsible manner, preventing pollution through spills and accidental discharges.
- ❖ Audit the policy on an annual basis
